Helping others to practise

Some of our Sangha members need financial assistance to pay these fees. If you would like to give them a donation, we act as their “virtual alms bowl.” If you make a payment into our account marked “Sangha fund,” it will be earmarked for them. Full details of how the fund is distributed are available on request to anyone considering making a donation or applying for help.

You can apply for membership of the affiliate nearest you. A list of our affiliates is on zentraining.org. Membership of any affiliate includes membership of ZBS. If you live far from any of our affiliates, you can apply for distance membership of ZBS by emailing zen@zazen.se.

Non-members

Non-members are welcome to apply for our beginners' retreats. Apart from those, we do not usually allow non-members to stay at Zengården, or to participate in our sesshins and retreats.

Exceptions are made on a case-by-case basis for experienced practitioners visiting from other Sanghas and for people who live a long way from one of our city centers who sincerely wish to try out Zen practice.
